What you Find in the Big Store.

It's the Store the public turns to when it wants anything. And that's the biggest praise that can be given to any great enterprise.

Even if you don't actually remember that the thing you want is here, the confidence felt in our 26 stores makes you reasonably certain that it *is* here. And you can get it quick.

No exaggerated values. No price concessions. Everybody buys on equal terms with everybody else.

Every department a modern store—completely stocked with all that is good of the old and all that is best of the new.

Prompt deliveries.

Dainty luncheons served in the Palm Tea Room.

Manicuring, chiropody, hair dressing, shampooing and facial massage in the "Little French Corner," on the second floor.
